## **Dues Structure & Membership Eligibility**

1. Members are required to pay dues annually to maintain membership. Annual membership dues are subject to adjustment each year. Dues are billed in January and payable by February 15<sup>th</sup>. Membership cards will not be valid until dues have been paid in full. Dues that have not been paid in full by March 31<sup>st</sup> are considered delinquent, and if not paid by December 31<sup>st</sup> will result in the immediate loss of membership and the then current initiation fee and current dues for the year will have to be paid in order to rejoin the Association. The annual dues amount is available on the DPA website and in the DPA office.
2. Membership is associated with the Lot for which an initiation fee has been paid and dues are current. A membership may not be transferred from one Lot to another. For a new owner of a member Lot to keep the membership, a transfer fee is required. If the owner of a member property transfers the property ownership to the owner's child or children or spouse, to a family trust for which the member owner is trustor, or to the child/children or spouse of a trustor of such a family trust no transfer fee will be required. Members are required to notify the Association of all ownership transfers within 60 days of the date of transfer.
3. The initiation fee amount is available on the DPA Website and in the DPA office.
4. A Lot is not eligible for membership in the Association if the development rights associated with the Lot have been transferred or otherwise removed from the Lot or if the Lot is subject to a recorded restriction on development, including but not limited to a conservation easement.
5. The owners of a Lot are not eligible for membership in the Association if there are more than four (4) owners of the Lot unless such ownership by more than four (4) owners has resulted from marriage, a legally recognized domestic partnership, inheritance or dissolution of a marriage or domestic partnership. Married couples and legally recognized domestic partners are counted as a single owner. Ownerships will be subject to review and approval by the DPA Board.
6. The owners of a Lot are not eligible for membership in the Association if any of the owners have an ownership interest of less than one-fourth interest unless such ownership interest of less than one-fourth has resulted from inheritance or dissolution of a marriage or legally recognized domestic partnership. Married couples and legally recognized domestic partners are counted as a single owner. Ownerships will be subject to review and approval by the DPA Board of Directors.
7. A Lot is not eligible for membership in the Association if the owner of the Lot is an association of owners of properties of a subdivision or development other than the Dollar Point Subdivision.
8. In 2019, each membership Lot is issued one (1) membership gate access card and (2) membership photo ID cards. Any new cards issued are subject to a fee of \$200.00 per card.
9. Commercial activities are not permitted on any DPA property without the express permission of the DPA Board. Contact the Association main office for further details.
