

Dear Members,

Placer County sent a new update today that they will resume the last phase of road resurfacing in Dollar Point after Labor Day. Placer County plans on placing a hot mix asphalt overlay on Panorama Drive, Lakewood Lane, Observation Drive, Dollar Drive (to Marlette), and Edgewood Drive. Pending any changes in response to weather or other factors out of Placer County's control, preparation will start on Tuesday, 9/8/2020, and the underlayment (rubberized chip seal) will be placed on Wednesday, 9/9/2020. The main overlay work will start on Monday, 9/14/2020, and continue through at least Friday, 9/18/2020. Clean up work and exposing utility boxes will take place the following week. In the coming days, you should see Teichert Construction (916-484-3011), the contractor, placing signs and notices. Please refer to the map below for the resurfacing areas.

Thank you,

Cailin Jope
