The owners of a Lot are not eligible for membership in the Association if there are more than four (4) owners of the Lot unless such ownership by more than four (4) owners has resulted from marriage, a legally recognized domestic partnership, inheritance or dissolution of a marriage or domestic partnership. Married couples and legally recognized domestic partners are counted as a single owner. Ownerships will be subject to review and approval by the DPA Board.
6. The owners of a Lot are not eligible for membership in the Association if any of the owners have an ownership interest of less than one-fourth interest unless such ownership interest of less than one-fourth has resulted from inheritance or dissolution of a marriage or legally recognized domestic partnership. Married couples and legally recognized domestic partners are counted as a single owner. Ownerships will be subject to review and approval by the DPA Board of Directors.
7. A Lot is not eligible for membership in the Association if the owner of the Lot is an association of owners of properties of a subdivision or development other than the Dollar Point Subdivision.
8. In 2020, each membership Lot is issued one (1) membership gate access card and (2) membership photo ID cards. Any new cards issued are subject to a fee listed on the fee schedule.
